

CARGO HANDLING EXPERTISE

LOGISTICS – **THE SCIENCE OF MOVEMENT**

Logistec is more than just a stevedoring company. We provide customized solutions to your logistics requirements through our vast expertise and market knowledge: cargo planning, inventory management, real-time inventory, distribution, intermodal transportation, door-to-door moves and providing solutions today for your cargo needs of tomorrow.

TECHNOLOGY – **TECHNIQUES, EQUIPMENT AND EXPERIENCE**

Logistec provides over five decades of experience in stevedoring and terminal operations at its facilities located in 23 ports. Having the right equipment and the experience and know-how to apply the proper techniques is our promise to you that we will handle your cargo in the safest and most productive manner possible.

LOGISTEC –

THE PERFECT BLEND OF INNOVATION, KNOWLEDGE AND PROFESSIONALISM

Combining logistics and technology has allowed Logistec to evolve from a one-port operation in 1952 to a multifaceted North American marine transportation service provider today. Logistec is recognized throughout the maritime industry for its level of service, performance, experience, dedication and innovation.
